

John Muir Health/UCSF Health

Berkeley Outpatient Center

Our collaboration brings together two locally and nationally recognized health systems.

Berkeley Outpatient Center patients have access to a wide range of medical services all under one roof. Rather than having to travel to multiple locations, cross the bridge or go through the tunnel for appointments and tests, you'll find all of the following at the Berkeley Outpatient Center:

- + **PRIMARY CARE** (John Muir Health)
- + **SPECIALTY CARE** (John Muir Health and UCSF Health specialists)
- + **URGENT CARE SERVICES**
- + **LAB SERVICES**
- + **IMAGING, INCLUDING X-RAY, ULTRASOUND AND "3D" MAMMOGRAPHY**
- + **INFUSION SERVICES, INCLUDING CHEMOTHERAPY**
- + **ONLINE SCHEDULING FOR PRIMARY CARE AND SAME-DAY OR NEXT-DAY URGENT CARE APPOINTMENTS**
- + **FREE VALIDATED ONSITE PARKING**

Insurance Information for University of California Employees

You can receive primary care if you are enrolled in Health Net Blue and Gold, and your primary care provider is part of John Muir Medical Group. If you want to change your medical group to John Muir Medical Group (to establish primary care), call Health Net directly before scheduling an appointment.

You also can receive specialty care, and ancillary services including lab and radiology, if you are enrolled in Canopy Health (Health Net Blue & Gold) and your primary care provider is part of Hill Physicians Medical Group - San Francisco, John Muir Medical Group, or Meritage Medical Group.

If you are enrolled in one of the UC-sponsored PPO plans (UC Care, UC Health Savings plan, Core plan), you can receive primary and specialty care, along with available ancillary services.
