

John Muir Health | UCSF Health

Berkeley Outpatient Center

The Berkeley Outpatient Center (BOPC) is a unique collaboration and partnership between John Muir Health and UCSF Health, two health care systems that are locally and nationally ranked by *U.S. News & World Report*.

Through this partnership, we are dedicated to providing East Bay residents with comprehensive care, all conveniently under one roof. Our services include:

- + **Primary Care**, including women's health services
- + **Specialists** (see column at right)
- + **Same-Day Urgent Care Appointments with Online Appointment Scheduling**
- + **Lab Services**
- + **Imaging**, including X-ray, CT/MRI, PET/CT, DEXA, ultrasound and 3D mammography
- + **Expanded Cancer Center with Online Appointment Scheduling**
- + **Infusion Services, Chemotherapy and Radiation Oncology**
- + **New Surgery Center**
- + **Free, Validated On-Site Parking**

Insurance Information for University of California Employees

For UC Health Net Blue & Gold members with John Muir Medical Group:

You can receive primary care at BOPC if you're enrolled in UC Health Net Blue & Gold and your primary care provider is part of John Muir Medical Group. If you want to change your medical group to John Muir Medical Group (to establish primary care), call Health Net directly before scheduling an appointment.

For UC Health Net Blue & Gold members with Hill Physicians Medical Group:

You can also receive specialty care and ancillary services at BOPC, including lab and radiology, if you're enrolled in Canopy Health (UC Health Net Blue & Gold) and your primary care provider is part of Hill Physicians Medical Group - San Francisco, Marin, or John Muir Medical Group.

For UC Care, UC Health Savings Plan and Core members:

If you're enrolled in one of the UC-sponsored PPO plans (UC Care, UC Health Savings Plan or CORE), you can receive primary and specialty care at BOPC, along with available ancillary services.
